Applications are invited for the position of Technical Assistant Trainee (Fixed Period Internship) at NIT Agartala.

The Computer Science and Engineering Department of the National Institute of Technology Agartala (an Institute of National Importance) is looking for young, dynamic, tech-savvy, highly motivated, and committed fresh graduates/Post-Graduates in Computer Science & Engineering from recognized Indian Universities with consistently good academic records to serve as Technical Assistant Trainee (Fixed Period Internship).

SI. No.	Particulars	Details
1	Name of the Position	Technical Assistant Trainee (Fixed Period Internship)
2	**Number of Positions**	**05 (Five)**
3	Consolidated Remuneration	Rs. 25,000/- Per Month (Fixed)
4	Age Limit	Not exceeding 27 years (as on the last date of the application).
5	Last Date of Application	**23rd September 2025**

Duration: The maximum period of the **Teaching Assistant (TA) Trainee** position will be for **12 months** (from the date of joining) only. (The term may be extended to another 12 months based on the performance and requirements of the institute). Training can be terminated with one month's notice in writing given by either side. The training tenure cannot be beyond two years. A trainee may avail up to 30 days' holidays in a year, but not more than 7 days in a spell.

Essential Educational Qualifications: First Division (60% or 6.5 CGPA) in

a) B.E./B.Tech. in Computer Science & Engineering/Information Technology/Data Science/AI/Any other specialization in the CS domain from a recognized Indian university.

or

b) Master of Computer Applications (MCA) from a recognized Indian university.

c) The candidate must have graduated in the year 2024 or 2025. Those expecting results before the date of the interview may also apply. However, the candidate must submit proof at the time of the interview.

d) Candidates who graduated before 2023 or earlier need not apply.

Essential Skills Requirement:

• Working knowledge of Python, SQL, and data analysis tools such as Pandas, NumPy, Matplotlib.

• Familiarity with Machine Learning libraries (e.g., Scikit-learn, TensorFlow) and data visualization tools.

• Experience with database management, data cleaning, and basic web technologies is desirable.

- Experience in handling microprocessors and similar hardware training kits.

Responsibilities:
- Assist in academic activities such as laboratory classes.
- Support faculty and research scholars in all technical aspects.
- Maintain lab infrastructure and assist in conducting workshops or academic training sessions.
- Work on assigned tasks, which may require rotation, including occasional weekend support.

Selection: The selection of the candidates will be based on a written test/personal interview or both, depending on the applications received. Interested candidates who fulfil the above-mentioned criteria may submit their application online at the link given below on or before **23rd September 2025**.

GENERAL INSTRUCTIONS

1. All eligible candidates are required to bring a filled-in application form along with a recent passport-size photograph. All original documents and a set of self-attested copies of marksheets and certificates are to be produced at the time of the interview.

2. No candidate may be entertained if he/she reports after the specified time of reporting.

3. The fixed-period internship listed above is purely temporary and for 12 months only.

4. The fixed-period internship is open to eligible persons from all castes and categories to apply.

5. The Institute reserves the right to fill up the internship position, not to fill up the internship position, or to cancel the advertisement in whole or in part without assigning any reason. The institute also reserves the right to reasonably limit the total number of candidates to be called for the Test/Interview. The decision of the institute in this regard shall be final.

6. No correspondence whatsoever will be entertained from candidates regarding the conduct and result of the written test and interview, and reasons for not being called for the same.

7. No TA/DA shall be paid to candidates for attending the written test and interview.

8. Please note that this is a purely temporary arrangement for the trainee, and appearance in the test/interview and selection thereafter will not entitle the candidate to any claim whatsoever or permanency in the regular establishment of NIT Agartala.

9. Selected candidates shall not have a claim on any regular position and shall not bestow any of the privileges, like housing, medical facilities, and other benefits available to regular employees of the institute.

10. A certificate of experience will be issued to those who complete at least twelve months of internship training.
