Ministry of Education
Government of India

Two-Days Workshop **on** **Implementation of Flexible Curriculum Models** **for** **Holistic Education under NEP 2020**

14th – 15th November, 2025

ORGANIZED BY

National Institute of Technology Agartala

www.nita.ac.in/

Venue: Visvesvaraya Auditorium,
NIT Agartala, Tripura West. Pin-799046, INDIA

Highlights of the Workshop

The Ministry of Education, Government of India has conceptualized the “Monitoring and Outreach NEP 2020” program, which focuses on outreach activities to effectively and efficiently implement NEP 2020 in collaboration with Centrally Funded Higher Education Institutions(CFTIs) and State Universities.

As a CFTI that has taken significant strides in the implementation of NEP 2020, the National Institute of Technology Agartala (NITA) is organizing a national Workshop to drive both state/central universities and other CFTIs towards academic excellence through the effective implementation of NEP 2020 recommendations.

This two-day Workshop will address the key thrust areas of NEP 2020, highlighting how NITA will be successfully implementing academics initiatives. Eminent experts from various domains, alongside the NITA team, will lead the sessions and share best practices for the successful implementation of flexible curriculum in line with NEP 2020.

About the Institution

Established in 1965 as Tripura Engineering College. Later in 2006 it was converted to National Institute of Technology Agartala. NIT Agartala is an Institute of National Importance. It ranks among the country's top engineering colleges. The institute is known for its academic excellence, research initiatives, and industry collaborations.
