BID DOCUMENT

1. Instructions to the bidders:
 - 1.1 Bids are invited through e-tender on behalf of the National Institute of Technology Agartala, Tripura, Agartala-799046 from the intending bidders for supply of the goods/stores/ equipments/Learning resources for the Institute as detailed in the enquiry letter.
 - 1.2 The bidders should quote their rates in clear terms without ambiguity. The quotation should be only in Indian Rupees.
 - 1.3 The last date & time for submission of the bid is marked in the enquiry.
 - 1.4 The bids should be submitted online through www.eprocure.gov.in before the last date & time of submission specified in tender document.
 - 1.5 Bids received after the deadline of receipt indicated in para 1.4 above, shall not be taken into consideration.
 - 1.6 Each bidder shall submit only one bid **against one enquiry**. A bidder, who submits more than one bid against single enquiry, shall be disqualified and considered non-responsive.
 - 1.7 The bidder has to enclose a check list as per Annexure - C duly filled in along with all relevant/supporting documents while submitting technical bid through www.eprocure.gov.in.
 - 1.8 Opening of Bids by the Purchaser will be done as per the provisions of the e-procurement system.
 - 1.9 At any time prior to the due date for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment.
 - 1.10 All prospective bidders are expected to surf the website before formulating and submitting their bids to take cognizance of the amendments.
 - 1.11 Custom Duty Exemption Certificate will be provided from the Institute for availing Custom Duty Exemption in terms of notification No. 51/96-Custom dated 23-07-1996, amended by notification No. 43/2017 dated 30-06-2017, further amended by notification No. 42/2022 dated 13-07-2022, as amended from time to time in case of imported items per OM No. F.4/1/2021-PPD dated 01-09-2021.

No.F.NITA.17(84-WS)/CNC Lathe/2024

Date: / /2024

2. General Terms & Conditions:

- 2.1 **The rates quoted by the Supplier/Bidders should preferably be on basic price, Annual Maintenance Charges(if applicable), packing, forwarding, freight, Insurance and all other incidental charges including delivery of the Materials at National Institute of Technology, Agartala.**
- 2.2 **All taxes and duties will be paid extra and such amounts of mandatory/statutory taxes & duties shall be explicitly mentioned in BOQ while submitting of bid. If GST amount not quoted in the BOQ (price bid), the total cost will be treated as inclusive of GST.**
- 2.3 Price has to be filled through CPP portal as per BOQ (<https://www.eprocure.gov.in>). The scanned copy of Price Bid, dully filled in, has to be uploaded on the above e-procurement site. The prices filled in the e-procurement site will be treated final and shall be binding to the vendor.
- 2.4 Insurance: The Goods supplied under the Contract shall be fully insured against any loss or damage incidental to manufacture or acquisition, transportation, storage and delivery up to the final destination.
- 2.5 All the Machines/Equipments/goods will be covered by Annual Maintenance Contract (AMC) / CMC/ Warranty beyond the normal warranty/guarantee period. Interested bidders are requested to quote price against AMC/Extended warranty as an optional item in the price bid. **Optional items will not be taken into consideration while selecting L₁ bidder.**
- 2.6 AMC/CMC/Extended Warranty will be awarded after completion of standard warranty period. AMC/CMC/Extended Warranty may be carried out only after receipt of confirmation letter from this Institute. The Institute will not be responsible for any due payments / obligations may arise as a result of execution of AMC/CMC/Extended Warranty without confirmation letter from this Institute.
- 2.7 Conditional discount, if any, offered by the bidder shall not be considered at the time of evaluation.
- 2.8 **The bidders who are registered as a Micro or Small Enterprise as per latest definitions under MSME rules, Govt. of India for exemption of submitting EMD/Bid security must enclose relevant documentary proof of authentication of their firm's registered as a Micro or Small Enterprise as per latest definitions under MSME rules, Govt. of India.**

राष्ट्रीय प्रौद्योगिकी संस्थान अगर्तला

National Institute of Technology Agartala

AGARTALA - 799 046 (TRIPURA)

- 2.9 If the bidder is a Micro or Small Enterprise as per latest definitions under MSME rules, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria". If the bidder is OEM of the offered products, it would also be exempted from the "OEM Average Turnover" criteria. In case any bidder is seeking exemption from Turnover /Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded with technical bid.
- 2.10 If the bidder is a Startup, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria". If the bidder is OEM of the offered products, it would also be exempted from the "OEM Average Turnover" criteria. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded with technical bid.
- 2.11 National Institute of Technology, Agartala is following and abide with the Public Procurement (Preference to Make in India), Order 2017, DIPP, MoCI Order No. P-45021/2/2017-B.E.II dated 15th June 2017 and subsequent amendments to the order. Accordingly preference will be given to the Make in India products while evaluating the bids, however, it is the sole responsibility of the bidder(s) to specify the product quoted by them is of Make in India product along with respective documentary evidence as stipulated in the aforesaid order in the technical bid itself. A self-declaration as per Annexure- G should be enclosed in the technical bid.
- 2.12 **On site Comprehensive Warranty:**
- The successful bidder shall provide a Comprehensive Warranty for minimum period of 3 years (not applicable for consumable item(s)) after the installation and commissioning of the instrument / software/items. If within a warranty period after installation any such product or component is proven to be defective such product shall be repaired or replaced by the supplier/vendor. Such repair and replacement shall be sole obligation of supplier/vendor. Supplier / vendor shall be responsible for payment for all charges (to-and-fro) for repair/ replacement. Any design defects or installations deficiencies or any outer defects, if noticed during the warranty/ maintenance period, shall be rectified promptly by the successful bidder with no cost at all the places, which also includes the field installations.
 - Down-time call attendance should be within 48 hrs.
 - In case the Equipment / System remains non-operational for more than 5 days then warranty period will be extended for the equal period for which Equipment / System remained non-operational. Warranty extension in such case shall be done without prejudice to any other Term & condition of the contract.

10

राष्ट्रीय प्रौद्योगिकी संस्थान अगर्तला

National Institute of Technology Agartala

AGARTALA - 799 046 (TRIPURA)

- 2.13 The documentary evidence of the bidders qualification to perform the contract if the bid is accepted shall establish to the purchasers satisfaction that:

| | |
|-----|--|
| (a) | The bidder meets the qualification criteria listed in bidding documents, if any. |
| (b) | Bidder who doesn't manufacture the goods it offers to supply shall submit Manufacturers' Authorization Form using the form specified in the bidding document to demonstrate that it has been duly authorized by the manufacturer of the goods to quote and / or supply the goods/services. |

- 2.14 The successful bidder has to furnish "Performance Guarantee/Security" (not applicable for consumable item(s)) for an amount specified in the enquiry by E-Payment System to NITA Account within 15(fifteen) days of intimation of contract/supply order.

Alternatively, "Performance Guarantee/Security" will be retained by the Institute from the billed amount of the contract/supply order which will be released two months after the completion of warranty period (not applicable for consumable item(s)).

- 2.15 **Delivery Schedule:** As per e-Tender.

The item(s)/goods are required to be delivered at the indenting Department of National Institute of Technology, Agartala, and must be dispatched within specified days from the date of placement of the supply/purchase/work order.

If the supplier fails to Supply, Install and Commission the system/instrument as per specifications mentioned in the order within the due date, the Supplier is liable to pay liquidated damages of 0.5% of order value per week or part thereof for delay subject to a maximum of 10%, as the case may be, beyond the due date. Such money will be deducted from any amount due or which may become due to the supplier. Any exemption towards delay without LD can be resolved through mutual consent under exceptional circumstances.

- 2.16 Force Majeure: Notwithstanding the provisions of clauses relating to Extension of Time, Penalty and Termination for Default the Supplier shall not be liable for forfeiture of its Performance Security, Liquidated Damages or Termination for Default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

- 2.17 Evaluation of Bid: The Technical Bid shall be evaluated on the basis of technical and other parameters usually taken in to consideration. Financial bid shall be evaluated on the basis of financial parameters. Govt. of India rules shall be taken in to account for evaluating both technical and financial bids.

- 2.18 The successful bidder(s) may be required to execute a contract on the basis of evaluation as per annexure(s) (as applicable).

राष्ट्रीय प्रौद्योगिकी संस्थान अगर्तला

National Institute of Technology Agartala

AGARTALA - 799 046 (TRIPURA)

- 2.19 NIT Agartala will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.
- 2.20 The bidder has to submit valid trade license, GST registration certificate, Last filled ITR and last filed GST return.
- 2.21 Payment: **100% will be made in INR (Indian National Rupees)** after successful Installation, Commissioning of item against submission of Performance Guaranty (PG) otherwise an equal amount of PG will be retained by the Institute till the completion of warranty obligations.

Note: All payments due under the contract shall be paid after deduction of statutory levies at source (like ESIC, IT (TDS), GST, LBT / Octroi etc.), wherever applicable.

- 2.22 In the event of any dispute arising out of the bid or from the resultant contract, the decision of the Competent Authority, National Institute of Technology, Agartala shall be final.
- 2.23 The bid document/resultant contract will be interpreted under Indian Laws.
- 2.24** National Institute of Technology, Agartala will not take any responsibility for arranging road permit/way bill or clearance from tax department for delivery of goods. All such requirements should be completed by the bidder for delivery of goods at National Institute of Technology, Agartala. GST payment, if required, should be paid by successful bidder and if GST not paid, National Institute of Technology, Agartala will deduct the applicable amount from successful bidder's bills and pay the same to Tax Authority. If there is any mandatory tax(es) other than GST/other taxes mentioned in this tender document, imposed by State Govt., the same may also be deducted from the bills of the successful bidder, as applicable.
- 2.25** **Competent Authority of National Institute of Technology, Agartala reserves the right to cancel the entire e-tendering process at any stage of the procurement process without mentioning any reason.**
- 2.26** **Legal disputes, if any with NIT Agartala will be restricted within the jurisdiction of Agartala only.**

Yours sincerely,

Registrar

| | | n) Reduction sleeves Ø 40/32, Ø 40/25 Ø 40/20, Ø 40/16, and Ø 40/12 - Each 1 No. Taper shank Drill sleeves 40/MT2 & 40/MT3 - Each 1 No |
| | | o) Documentation: |
| | | (i) each documentation Soft Copy in English (along with machine delivery), |
| | | (ii) Detailed layout plan and prospect to be given |
| | | (iii) Operating and Programming instruction with Installation and Commissioning instructions |
| | | (iv) Quality Test records including Maintenance / repair charts |
| | | (v) Preventive maintenance instructions with Lubrication chart & parameter list |
| 15 | Installation & Commissioning | The complete installation and commissioning including first fill of Hydraulic Oil and Coolant Oil must be carried out by the supplier at the project (at the final destination/premises). The machine to be inspected as per accuracy chart before dispatch at supplier site. Prove out the "Test Components" in all aspects. Acceptance and Qualification during Pre-Dispatch Inspection (PDI), at the supplier end. Release of machine for dispatch after successful completion of acceptance test post PDI. The complete installation and commissioning must be carried out by the supplier for all the machines at the final destination/premises. A final accuracy test with an identified test component to be conducted by the purchaser/consignee. Final accuracy test report is to be signed jointly by Purchaser/consignee and supplier. Final acceptance would be given after conducting the accuracy test at the installation location |
| 16 | | IoT features : TPM TRAK along with the machines gives visibility to production with information like part count, cycle times, load/unload times, down times with reasons, rejection quantity with reasons eventually leading to OEE information. Machine Connect Pro facilitates Program Transfer. Additionally, it will provide info like Total Time, Power ON Time, Operating Time, Cutting Time, Run Charts indicating Machine Status, Alarms History, Operation History, Offset Change History, Spindle Parameters like load, speed and temperature. |
| 17 | | The Off-line CNC Operation Simulation Workstation - Hardware module (one Unit) |
| | | a) Original CNC Training Software for programming Fanuc & Siemens |
| | | b) Hardware Keyboard for training Lathe & Mill machine (Separate interchangeable key panels for Fanuc & Siemens) |
| | | This shall be a complete setup of software-based training and portal hardware keyboard solution for CNC machining. Students must be able to practice machine operating skills safely and efficiently in the classroom. The setup shall be capable of simulating the operation of the CNC controller in real-life environment, making it possible to program and simulate various operations. The set-up shall be suitable for conducting training on: |
| | | a) Software for programming shall have FANUC 31 i for both Milling (3 axes) and Turning (X, Z) with NC Editor, Sinumerik Operate 828D T & M with Shop turn & Shop mill. The software must be able to run independently, especially on PCs without real machines. |
| | | b) Hardware based Machine Control keyboard for CNC Milling and Turning is portable and shall be interchangeable for Fanuc and Siemens |

| | |
|----|--|
| | <ul style="list-style-type: none"> ▪ Sinumerik Operate 828D T M with Shop Turn & Shop Mill ▪ FANUC 31i/32i T & M with NC Editor |
| | Onscreen touch key panel and classroom management. Programming function keys should be vertically/ horizontally placed to get the feel of industrial type programming panel and should match to industrial machine control panel. USB Interface for PC connectivity. |
| 18 | Warranty to be provided for a period of three (03) years from the date of Installation & Commissioning. |
